

# BUILD YOUR OWN RUG

## 5 SIMPLE STEPS

### STEP ONE

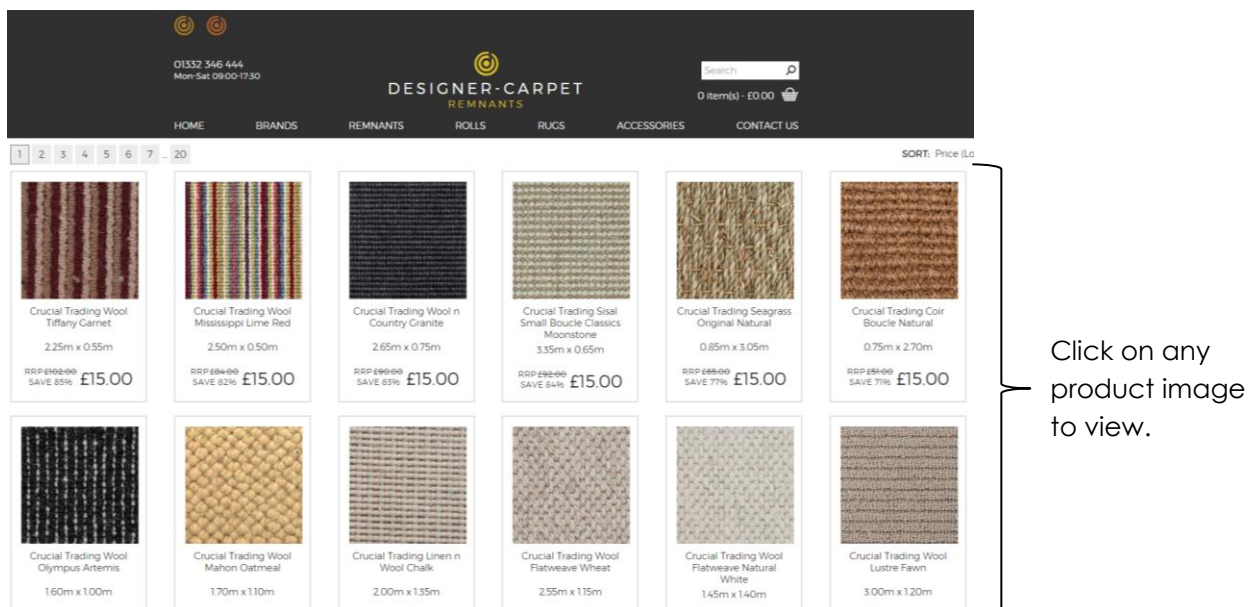

Choose a designer carpet remnant.

- **Looking for a specific brand?** Select Brands > Choose a brand of your choice and browse the remnants.
- **Require a remnant of a particular type?** Select Remnants > Select the remnant type from the drop-down menu, and browse the remnants
- **Want to view all remnants?** Click on 'Remnants' from main menu to view all remnants.

### STEP TWO

View the remnant of your choice by selecting the image from the products page.

## STEP THREE

Click on 'Create a bespoke rug' option when viewing the selected carpet.
